National Day of *Prayer*

UNITED

O God of grace, on bended knee,
Your people pray in unity.
With hearts aflame and spirits
stirred,
We seek to live Your holy Word.
Through Wesley's way of faith
and grace,
Let justice roll in every place.
Empower us with love divine,
To serve, to heal, to be a sign.
Bless those who lead, both great
and small,
With servant hearts to heed
Your call.
Revive Your church, O Lord,
anew—
With hands to build, with hearts
made true.

PRAYER CHANGES THINGS!

This day we pause, this day we pray,
To walk with Christ in every way.
One church, one voice, in hopeful song—
Your kingdom come, it won't be long.
